

Virtual Emily

Your Remote Staffing Partner

We'll tell you the whole story
but in a nutshell

1. Who we are

Virtual Emily is a remote staffing company that provides remote employee services to help individuals and businesses manage their tasks and projects from anywhere in the world.

We hire and manage Remote Employees according to your job description.

2. What we offer

We offer Remote Employees in our 4 lines of business

We specialize in providing a wide range of services across four core lines of business:

Admin, Data, Marketing, and Customer Service.

Within each of these lines, we have four branches that offer specialized expertise in their respective areas:

Administrative Assistant

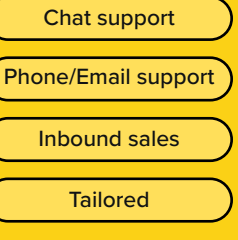

Data Specialist

Marketing Specialist

Customer Service Agent

3. Why hire with us?

You save BIG with Virtual Emily

NO recruiting costs, NO healthcare expenses, and NO payroll taxes!

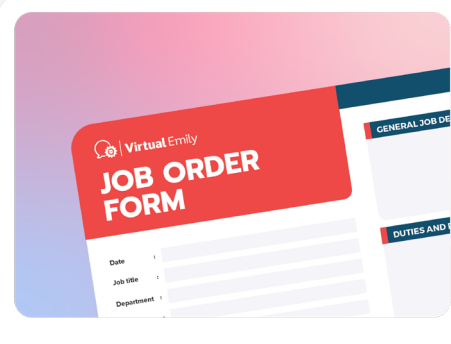

Cut your labor costs by a third compared to in-house hiring.

A regular In House employee costs		A Virtual Emily will cost you	
\$60,000	USD Yearly	\$26,400	USD Yearly
\$5,000	USD Monthly	\$2,200	USD Monthly

Based on average full salary of Glassdoor. 1 Does not include taxes, benefits or tools.
